

Repairing your roads in Eastvale.

The Gas Tax.

Peach Blossom Street
EASTVALE

Transportation Connects Our Lives

Going to work. Taking your children to school. Shopping for groceries. Visiting family and friends. Attending sporting events. Riding your bike. Seeing your doctor. Walking your dog. These day-to-day activities connect us to what's important, and they require a transportation system that works in Eastvale.

Whether we travel by car, train, bus, bicycle or on foot, an efficient and well-maintained transportation system benefits the City of Eastvale. The better our infrastructure, the better our quality of life. Just as repairs to your home or vehicle have to be made, maintaining our transportation infrastructure is equally important.

Funds for Transportation Infrastructure

The Gas Tax, or Senate Bill 1 (SB 1), is the Road Repair and Accountability Act of 2017, which was approved by California's Legislature in April 2017. The Gas Tax generates funds for our transportation infrastructure through increased gasoline taxes and annual vehicle fees. It began to provide funds to cities and counties in November 2017.

Protection for Transportation Revenues

The passage of Proposition 69 on June 5, 2018 provides constitutional protection for transportation revenues generated by the Gas Tax. The State Legislature and Governor are prohibited from borrowing or diverting Gas Tax funds for uses other than transportation.

What The Gas Tax Provides for Eastvale

The City of Eastvale is expected to receive more than \$1 million per year in gas tax revenue, which nearly doubles funds for transportation maintenance and upgrades in local cities and unincorporated communities. In Eastvale, the Gas Tax is currently funding roughly 250 projects to improve local roads.

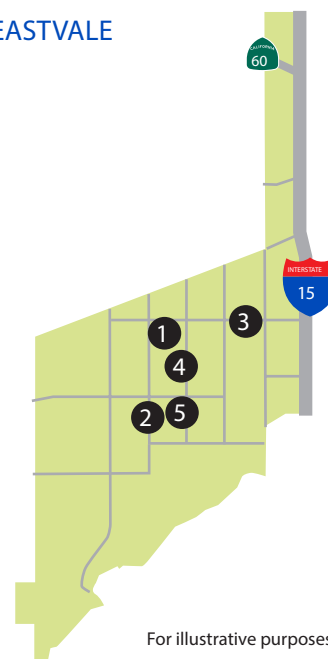

Highlighted Eastvale Projects

Shown here are various locations of the more than 250 street improvement projects in the City of Eastvale. For a full list of projects funded by the Gas Tax, visit rebuildingca.gov/map.html.

- 1 Woodlands Street between the west and east end of Northland Road – street improvements
- 2 Stonegate Drive between Hunters Run Court and Amberview Place – street improvements
- 3 Merry Meadows Drive between Scholar Way and Oakdale Street – street improvements
- 4 Beaver Creek Drive between Diamondback Road and Red Oak Drive – street improvements
- 5 Quail Run Road between Woodpigeon Road and Sumner Avenue – street improvements

In addition to projects like these, the Gas Tax provides funds for the Freeway Service Patrol roadside assistance in western Riverside County, Metrolink commuter train service, and local bus service county-wide.
