

State Route 60 TRUCK LANES

Construction Update: Week of July 5, 2021

[Para español](#)

Crews will not be working over the holiday weekend. No closures are scheduled for the week of July 5, but construction activity is subject to change.

Follow @60TruckLanes on social media for the latest project information.

Reminders

Have a Safe and Happy 4th of July!
Please travel safely over the holiday weekend and follow the **55 mph** speed limit in our construction area. Traffic fines are doubled in construction zones.

Weekly Drone Video

Crews are getting down and dirty while paving in this week's drone footage. One step closer to a safer roadway!

Project Background

The 60 Truck Lanes Project is widening a 4.5-mile section of Route 60 between Gilman Springs Road and 1.4 miles west of Jack Rabbit Trail through Riverside County's Badlands between Moreno Valley and Beaumont. The project lies within mountainous terrain with a curving alignment and steep grades. The project is designed to improve safety and reduce traffic congestion. The new lanes are expected to open in summer 2022.
