

WEEKEND FULL CLOSURE, ROUTE 60 EASTBOUND LANES: JANUARY 8-11, 2021

The Route 60 eastbound lanes between Gilman Springs Road and the I-10/Route 60 Interchange in Riverside County will be fully closed from **Friday, January 8 at 10 p.m. to Monday, January 11 at 5 a.m.** Please expect significant delays, allow extra travel time, and use alternate routes.

WHY THIS CLOSURE IS NEEDED:

- Crews will relocate 4.5 miles of temporary concrete barrier from the existing eastbound roadway to shift traffic to the newly paved median.
- Once lanes are shifted, crews will be able to safely work on the eastbound lanes and outside shoulder.

DURING THIS CLOSURE, MOTORISTS SHOULD:

- Know the closure will occur from January 8 at 10 p.m. to January 11 at 5 a.m.
- Expect significant delays, allow extra travel time and use alternate routes.
- Recognize that the construction schedule is subject to change. If work cannot be performed the weekend of January 8, it will be rescheduled for the weekend of January 22.

SUPPORT DURING CLOSURE:

- The CHP will enforce traffic safety 24/7 - traffic fines are doubled in construction areas.
- Weekly construction updates are available - register to receive email updates at rctc.org/60trucklanes.
- Follow @60trucklanes on social media for daily closure and project details.
- For more information, call the project helpline at 866-413-6060.
