

State Route 60 TRUCK LANES

Construction Update: Week of August 3, 2020

[Para español](#)

Weekend Closure, August 7-10

A full closure of the westbound lanes and a single lane closure of eastbound Route 60 will occur August 7-10. The westbound lanes will be closed from Friday, August 7 at 9 p.m. to Monday, August 10 at 6 a.m. The eastbound single lane closure will occur nightly from 9 p.m. and re-open daily before 7 a.m.

Crews will be shifting traffic onto the newly paved westbound lanes and moving k-rail into place to allow work to begin in the roadway median.

Drivers should expect significant delays, allow extra time, and use Interstate 10 as an alternate route.

Follow @60trucklanes on social media for daily closure and project details.

Reminders

BE ALERT: Follow the **55 mph** speed limit as crews are working just a few feet from you. Speeding fines are double in work zones!

Project Background

The 60 Truck Lanes Project is widening a 4.5-mile section of Route 60 between Gilman Springs Road and 1.4 miles west of Jack Rabbit Trail through Riverside County's Badlands between Moreno Valley and Beaumont. The project lies within mountainous terrain with a curving alignment and steep grades. The project is designed to improve safety and reduce traffic congestion. The new lanes are expected to open in 2022.
