

## **Appendix F** List of Technical Studies

The following technical studies were used in the preparation of this Environmental Assessment (EA).

*Air Quality Analysis I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., April 2010.

*Air Quality Conformity Analysis I-15/Railroad Canyon Road Interchange Project* by LSA Associates, Inc., June 2017.

*Air Quality Report I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., April 2015.

*Archaeological Survey Report (ASR) for the I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., August 2011.

*Determination of Biologically Equivalent or Superior Preservation I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., August 2017.

*Draft Project Report, Interstate Route 15 (I-15) at Railroad Canyon Road Interchange at Franklin Street Interchange.* Prepared by S.C. Engineering, November 2016.

*Final Community Impact Assessment (CIA), I-15/Railroad Canyon Road Interchange Project,* Prepared by LSA Associates, Inc., December 2010.

*Floodplain Evaluation Report Summary Interstate Route 15 (I-15) at Railroad Canyon Road Interchange at Franklin Street Interchange.* Prepared by S.C. Engineering, July 2010.

*Historic Property Survey Report, I-15/Railroad Canyon Road Interchange Project, City of Lake Elsinore, Riverside County, California.* Prepared by LSA Associates, Inc., August 2011.

*Initial Site Assessment Report Interstate 15 (I-15)/Railroad Canyon Road Interchange, City of Lake Elsinore, Riverside County, California.* Prepared by Leighton Consulting, Inc., November 2010.

*Location Hydraulic Study for I-15/Railroad Canyon Road Interchange Project.* Prepared by SC Engineering, July 2010.

*Multiple Species Habitat Conservation Plan Consistency Assessment I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., August 2017.

*Natural Environment Study (NES) I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., August 2017.

*Noise Abatement Decision Report (NADR) I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., December 2015.

*Noise Study Report I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., August 2015.

*Paleontological Resources Addendum Memorandum.* Prepared by LSA Associates, Inc., January 2015.

*Paleontological Resources Identification and Evaluation Report I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., April 2010.

*Preliminary Geotechnical Report I-15/Railroad Canyon Road and I-15/Franklin Street Interchange Improvements Lake Elsinore, California.* Prepared by Group Delta Consultants, Inc., June 2010.

*Preliminary Materials Report I-15/Railroad Canyon Road and I-15/Franklin Street Interchange Improvements Lake Elsinore, California.* Prepared by Group Delta Consultants, Inc., June 2010.

*Relocation Impact Memorandum for I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., April, 2010.

*Relocation Impact Memorandum for I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., January, 2015.

*Second Supplemental Memorandum to the Final Community Impact Assessment, I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., January 2015.

*Storm Water Data Report for I-15/Railroad Canyon Road Interchange Project.* Prepared by SC Engineering, July 2017.

*Supplemental Historic Property Survey Report, I-15/Railroad Canyon Road Interchange Project, City of Lake Elsinore, Riverside County, California.* Prepared by LSA Associates, Inc., January 2015.

*Supplemental Memorandum to the Final Community Impact Assessment, I-15/Railroad Canyon Road Interchange Project.* Prepared by LSA Associates, Inc., January 2012.

*Supplemental Traffic Impact Analysis – Interstate Route 15 (I-15) at Railroad Canyon Road Interchange.* Prepared by SC Engineering, November 2014.

*Supplemental Traffic Impact Analysis - Phase 1 Improvements – I-15 at Railroad Canyon Road Interchange Opening Year 2015 Analysis.* Prepared by SC Engineering, June 2011.

*Supplemental Traffic Memorandum – Updating Existing Traffic Data to 2009 and Opening Year to 2015.* Prepared by SC Engineering, December 2010.

*Third Supplemental Memorandum to the Final Community Impact Assessment.* Prepared by LSA Associates, Inc., February 2015.

*Traffic Impact Analysis – Interstate Route 15 (I-15) at Railroad Canyon Road Interchange,* Prepared by SC Engineering, August 2009.

*Update to the Natural Environment Study Memorandum.* Prepared by LSA Associates, Inc., January 2015.

*Updated Initial Site Assessment Report Interstate 15 (I-15)/Railroad Canyon Road Interchange, City of Lake Elsinore, Riverside County, California.* Prepared by Leighton Consulting, Inc., November 2016.

*Visual Impact Assessment I-15/Railroad Canyon Road Interchange Project.* Prepared by Estrada Land Planning, Inc., July 2015.

*Water Quality Assessment Report Interstate Route 15 (I-15) at Railroad Canyon Road Interchange at Franklin Street Interchange.* Prepared by SC Engineering, June 2010.

*Water Quality Assessment Supplemental Memorandum Interstate Route 15 (I-15) at Railroad Canyon Road Interchange at Franklin Street Interchange.* Prepared by SC Engineering, January 2015.

*Wetlands Delineation and Assessment of Jurisdictional Waters Report. Prepared by  
LSA Associates, Inc., June 2017.*
