Monday-Thursday, February 22-25	Nightly, 9 p.m. – 5 a.m.	Railroad Canyon Rd. near Grape St./Summerhill Dr. intersection – intermittent lane closures for utility work

Project Progress

This week, crews poured a concrete foundation to prepare for a light pole installation along the southbound I-15 Railroad Canyon Rd. off-ramp.

Project Background

The Riverside County Transportation Commission (RCTC), in partnership with Caltrans and the City of Lake Elsinore, is upgrading the Interstate 15 Railroad Canyon Interchange in Lake Elsinore. RCTC is the lead agency for this project.

The project will improve safety and capacity by adding lanes, modifying ramps, and building sidewalks and bike lanes along Railroad Canyon Road. These improvements will help residents and other travelers move through this area and reach businesses and other “Dream Extreme” attractions in Lake Elsinore.

Please expect periodic closures to lanes and ramps, slow down, allow extra travel time, watch for construction crews and equipment, be alert to changing conditions, follow detours, and stay informed by checking construction updates, social media, and mapping apps.
