

Interstate 15  
RAILROAD CANYON  
INTERCHANGE

Construction Update:  
Week of September 27, 2021

Lane and ramp closures are planned nightly, Monday through Wednesday, on northbound I-15, including the northbound Railroad Canyon Rd. on and off-ramps. Crews are continuing concrete work.

Alternating daytime lane closures are also scheduled Monday through Wednesday on southbound Grape St. and northbound Summerhill Dr. for crews to prepare for electrical work.

**Plan Ahead:** Friday night, October 1, alternating lane closures are planned for eastbound and westbound Railroad Canyon Rd., southbound Grape St., and northbound Summerhill Dr., from 8 p.m. – 10 a.m. Please follow all signs and allow for extra travel time. Crews will be performing electrical work for the project.

Construction activity is subject to change. Follow us @RailroadCanyon for the latest updates.

Highway, Ramp and Local Street Closures – Week of September 27, 2021

**Project Progress**

With falsework successfully installed, crews can continue to widen the northbound I-15 bridge.

## Project Background

The Riverside County Transportation Commission (RCTC), in partnership with Caltrans and the City of Lake Elsinore, is upgrading the Interstate 15 Railroad Canyon Interchange in Lake Elsinore. RCTC is the lead agency for this project.

The project will improve safety and capacity by adding lanes, modifying ramps, and building sidewalks and bike lanes along Railroad Canyon Road. These improvements will help residents and other travelers move through this area and reach businesses and other “Dream Extreme” attractions in Lake Elsinore.

Please expect periodic closures to lanes and ramps, slow down, allow extra travel time, watch for construction crews and equipment, be alert to changing conditions, follow detours, and stay informed by checking construction updates, social media, and mapping apps.
