

CONSTRUCTION UPDATE

A Project of the Riverside County Transportation Commission

WEEK OF SEPTEMBER 6, 2021

LANE CLOSURES

Construction activity will require nightly closures **September 7-10** for bridge and maintenance work as we continue building the 15/91 Express Lanes Connector. See details below.

Westbound 91 lane closures, McKinley St. to Main St.

- Tuesday, September 7 to Thursday, September 9, nightly, 8 p.m. to 4 a.m.
- Friday, September 10, 10 p.m. to 6 a.m.

Northbound 15 to Eastbound 91 Connector

- Tuesday, September 7, 8 p.m. to 4 a.m.

Southbound 15 to Eastbound 91 Connector

- Tuesday, September 7, 9 p.m. to 5 a.m.

There are no scheduled closures Monday, September 6, due to Labor Day.

Please note that construction activity is subject to change.

REMINDER

Schools are back in session and more employees are returning to the office. Please watch for more vehicles on the road and increasing traffic congestion. Drive safely and allow extra travel time, especially during peak driving hours.

NEIGHBORING PROJECTS

91 Corridor Operations Project:

- The 91 Corridor Operations Project will require an ongoing closure of the parking lot at the Santa Ana River Trailhead in Corona. This parking lot closure will continue through this fall. Please [click here](#) for more information.

Please note that construction activity is subject to change.

Crews placed support beams to build the new connector bridge

Making Progress!

Watch a short video on our progress to build the 15/91 Express Lane Connectors, which will seamlessly connect the 91 Express Lanes and the 15 Express Lanes.

PROJECT OVERVIEW

The Riverside County Transportation Commission, in partnership with Caltrans, is building the 15/91 Express Lanes Connector to link the 15 Express Lanes and the 91 Express Lanes for seamless, reliable travel. New connections will be provided:

- From the eastbound 91 Express Lanes to the northbound 15 Express Lanes and
- From the southbound 15 Express Lanes to the westbound 91 Express Lanes

The project also is extending both the eastbound 91 outside general-purpose lane and the eastern end of the 91 Express Lanes approximately one-half mile east to Promenade Avenue to help with vehicle merging in this area. Construction began in April 2021 and the connector is expected to open in 2023.
