WEEK OF OCTOBER 25, 2021

SOUTHBOUND 15 EXPRESS LANES SHIFT

15/91
EXPRESS LANES
CONNECTOR

SOUTHBOUND 15 EXPRESS LANES SHIFT

Starting **TUESDAY, OCTOBER 26**, the southbound lane of the 15 Express Lanes, south of Hidden Valley Parkway, will temporarily shift left across the median to provide additional room for construction activity for the 15/91 Express Lanes Connector Project. This traffic shift will remain in place for the duration of the project, which is expected to open in 2023. 15 Express Lanes customers should reduce speeds and follow the lane shift warning signs on the approach to the 15/91 Interchange.

NEIGHBORING PROJECTS

91 Corridor Operations Project:

The #1 and #2 lanes on westbound 91 between Green River Road and Coal Canyon have been restriped to 10.5 feet wide to allow crews to safely build the new westbound lane in this area. Please reduce speeds and avoid unnecessary lane changes. Learn [more](#).

15 Interim Corridor Operations Project:

RCTC has approved the 15 Interim Corridor Operations Project to add a new lane to southbound I-15 between the Cajalco Road and Weirick Road interchanges. Read [more](#).

PROJECT OVERVIEW

The Riverside County Transportation Commission, in partnership with Caltrans, is building the 15/91 Express Lanes Connector to link the 15 Express Lanes and the 91 Express Lanes for seamless, reliable travel. New connections will be provided:

- From the eastbound 91 Express Lanes to the northbound 15 Express Lanes and
- From the southbound 15 Express Lanes to the westbound 91 Express Lanes

The project also is extending both the eastbound 91 outside general-purpose lane and the eastern end of the 91 Express Lanes approximately one-half mile east to Promenade Avenue to help with vehicle merging in this area. Construction began in April 2021 and the connector is expected to open in 2023.
