

## Construction Update: December 3, 2021

En español

Lanes will be reduced on Indian Ave. south of Placentia Ave., December 6-10, daily from 7 a.m. to 4 p.m. for crews to build a storm drain. Flaggers will be in place to direct traffic through the area.

No closures are planned on I-215 for the weeks of December 6 and 13.

## Project Progress

Bridge widening activities at the railroad tracks.

Progress of support structure for bridge widening over I-215.

## About the Project

Located between Ramona Expy. to the north and Nuevo Rd. to the south, the I-215 Placentia Interchange is designed to meet the needs of the area's growing population. The project will add northbound and southbound ramps, realign E. Frontage Rd., widen the Placentia overcrossing, and add lanes from Harvill Ave. to Indian Ave. RCTC expects to open the interchange in summer 2022. This interchange is Construction Contract #1 of RCTC's Mid County Parkway Project, which will provide a new 16-mile east-west route between Perris and San Jacinto.
