

Construction Update: July 16, 2021

En español

At 6 a.m. on Tuesday, July 20, the Placentia Ave. bridge over I-215 will be closed for approximately 10 months. Click [here](#) to read the closure notice.

There will be nightly lane closures Wednesday, July 21 and Thursday, July 22 on I-215 near Placentia Ave. Northbound lanes will be reduced from 8 p.m. to 6 a.m. and southbound lanes will be reduced from 9 p.m. to 5 a.m. One lane will be open at all times.

Motorists should allow extra travel time, use alternate routes, and follow posted speed limits.

About the Project

Located between Ramona Expy. to the north and Nuevo Rd. to the south, the I-215 Placentia Interchange is designed to meet the needs of the area’s growing population. The project will add northbound and southbound ramps, realign E. Frontage Rd., widen the Placentia overcrossing, and add lanes from Harvill Ave. to Indian Ave. RCTC expects to open the interchange in summer 2022. This interchange is Construction Contract #1 of RCTC’s Mid County Parkway Project, which will provide a new 16-mile east-west route between Perris and San Jacinto.
