INTERCHANGE**

ROAD CLOSED

10-MONTH FULL CLOSURE OF I-215 PLACENTIA AVENUE BRIDGE

As part of the Riverside County Transportation Commission's Interstate 215 Placentia Avenue Interchange Project in Perris, the Placentia Avenue bridge over I-215 will be fully closed for approximately 10 months starting on Tuesday, July 20, 2021 at 6 a.m. Motorists should use Cajalco Road/Ramona Expressway to the north and Nuevo Road to the south as alternate routes, allow extra travel time, and follow posted speed limits.

Why a full closure is needed:

- Allows crews to demolish the existing bridge and build a wider bridge over I-215.
- Reduces the overall construction schedule by about six months.
- Creates safer working conditions for crews by separating local traffic from the construction zone.

During the closure, motorists should:

- Allow extra travel time and use alternate routes.
- Follow posted speed limits, especially when traveling on Indian Avenue near Val Verde Elementary School between Placentia Avenue and Orange Avenue.
- Recognize that the construction schedule is subject to change based on weather and other factors.
