### **Public Invited to Prioritize Riverside County Public Transit Needs**

The Riverside County Transportation Commission is working to complete its Coordinated Public Transit-Human Services Transportation Plan, and the public is invited to take part in a Virtual Open House the week of October 26-30 and a live Zoom meeting on October 27.

These events provide opportunities to prioritize each suggested Coordinated Plan strategy and learn about findings from stakeholder interviews and a countywide survey conducted this summer. The Coordinated Plan identifies:

- Mobility needs and gaps of older adults, persons with disabilities, persons of low income, and veterans in Riverside County
- Strategies to address these needs
- Partnerships and new services to address transit service gaps

The public may take part in the Virtual Open House at any time, October 26-30, by clicking [here](#) or by visiting [rctc.org/transitworkshop](https://rctc.org/transitworkshop). A live Zoom meeting also will be held Tuesday, October 27 from 11 a.m. to noon. To join the Zoom meeting, click [here](#).
