Nighttime Closures Set on Westbound 91 this Weekend in Downtown Riverside

Heading west on the 91 this Saturday night or Sunday morning? Motorists should allow extra travel time or take alternate routes during nighttime closures scheduled on the 91 in downtown Riverside, including a full closure of westbound 91 starting Saturday night.

Crews for the Riverside County Transportation Commission's Pachappa Underpass Project will be closing the roadway and ramps to remove girders and beams from the bridge floor:

- Full closure of westbound 91 from 14th Street to Central Avenue, Saturday, June 26 at 10 p.m. to Sunday, June 27 at 8 a.m. – Drivers should exit at 14th Street and head west, turn south on Magnolia Avenue, and then turn east on Central Avenue to the westbound 91 on-ramp
- Full closure of westbound 91 on-ramp at 14th Street, Saturday, June 26 at 7 p.m. to Sunday, June 27 at 11 a.m. – Drivers should use the westbound 91 on-ramp at Central Avenue
- Full closure of westbound 91 off-ramp at Central Avenue, Saturday, June 26 at 10 p.m. to Sunday, June 27 at 8 a.m. – Motorists should use the 14th Street off-ramp and travel south on Magnolia to reenter westbound 91 at Central Avenue

Work began on the project in April 2020 and is expected to be completed this fall. In addition to removing a portion of the overhead railroad bridge, the project includes building a large retaining wall. Scheduled closures are subject to change, based on weather and other factors. The speed limit in the construction zone is 55 mph. For questions and updates, email info@rctc.org, call 951-787-7141, or follow @therctc on social media.
