Construction Update: Week of August 30, 2021

Nighttime Lane, Ramp, & Green River Rd. Closures

The 91 Corridor Operations Project will require nighttime closures for crews to safely work on retaining walls, drainage systems, and excavation. Anticipated closures include:

Date	Activity and Location	Detour
Monday, August 30 – Thursday, September 2, nightly, 10 p.m. to 5 a.m.	Westbound 91 Green River Rd. on-ramp	Use the Serfas Club Dr./Auto Center Dr. westbound 91 on-ramp
Monday, August 30 – Thursday, September 2, nightly, 9 p.m. to 4 a.m.	Westbound 91 - #3, #4, #5 lanes closed, Green River Rd. to 241 Connector	No detour required, since other lanes will remain open
Monday, August 30 and Tuesday, August 31, nightly, 9 p.m. to 5 a.m.	Eastbound 91 – two right lanes closed, Coal Canyon to Green River Rd.	No detour required, since other lanes will remain open

Green River Rd. may be closed from the Green River Village Mobile Home Park entrance to the Green River Golf Club Monday-Thursday nights from 8 p.m. to 5:30 a.m. to allow crews to continue work on retaining walls. There will be no access to the Green River Golf Club or the Santa Ana River Trail during these closures. Access to the mobile home park will not be affected. Daytime flagging may also be required on Green River Rd. starting at 6:30 a.m. in the same vicinity to allow crews to work on a retaining wall near the SART trailhead.

Construction activity is subject to change. Please watch for updates and follow [@therctc](#) on social media or sign up by texting 91COP to 80123.

SART Parking and Access

SART Temporary Parking

Temporary Santa Ana River Trail Parking Relocation

The parking lot at the Santa Ana River Trailhead near Green River Road will remain closed through 2021 for the safety of trail users and construction crews. Please use the upper parking lot at 4740 Green River Road. Do not park at the Green River Golf Club; parking is for club patrons only. The Santa Ana River Trail will remain open during construction, and access to the trail will be provided, although some traffic control measures will be in place. Please do not enter the construction zone near the trailhead.

Project Overview

The Riverside County Transportation Commission, in partnership with Caltrans, the Orange County Transportation Authority, the Transportation Corridor Agencies, and the City of Corona, is building the 91 Corridor Operations Project. The project will add a lane to westbound 91 for approximately two miles between the Green River Road on-ramp and the southbound 241 connector. The new lane, which will be built next to the outer shoulder, will help relieve westbound traffic congestion through this heavily traveled corridor.

Please stay connected through construction updates, follow @therctc on social media, and watch for lane closures, narrower lanes, construction crews and equipment, and changing conditions on the 91 and Green River Road. Noisy work also may be required.
