

State Route 60  
TRUCK LANES

## Construction Update: Week of January 3, 2022

[Para español](#)

The westbound Route 60 Gilman Springs Rd. off-ramp will be closed next week. Please drive safely for the remainder of this holiday weekend.

Construction is subject to change. Follow @60TruckLanes on social media for the latest project information.

## Reminders

Daily westbound Route 60 Gilman Springs Rd. off-ramp closures are scheduled weekdays, from **5 a.m. – 5 p.m., January 3-7.**

Always follow the 55 mph speed limit in our project area and **never** drink and drive.

## Happy New Year

Happy New Year from the 60 Truck Lanes project team!

## Project Background

The 60 Truck Lanes Project is widening a 4.5-mile section of Route 60 between Gilman Springs Road and 1.4 miles west of Jack Rabbit Trail through Riverside County's Badlands between Moreno Valley and Beaumont. The project lies within mountainous terrain with a curving alignment and steep grades. The project is designed to improve safety and reduce traffic congestion. The new lanes are expected to open in summer 2022.
