NEIGHBORING PROJECTS

91 Corridor Operations Project:

A new lane opened January 6 on westbound 91 between Green River Road and the 241 Toll Road to help ease traffic congestion, especially for morning commuters. Please watch for nighttime lane closures this week as crews finalize project details.

91 Repair Work, 2nd Street Lane Reductions in Corona:

RCTC and Caltrans are making repairs to the 91 between Main St. and Lincoln Ave. Travel is one-way (eastbound only) on W. 2nd St., between W. Grand Blvd. and Sheridan St. Read [more](#).

PROJECT OVERVIEW

The Riverside County Transportation Commission, in partnership with Caltrans, is building the 15/91 Express Lanes Connector to link the 15 Express Lanes and the 91 Express Lanes for seamless, reliable travel. New connections will be provided:

- From the eastbound 91 Express Lanes to the northbound 15 Express Lanes and
- From the southbound 15 Express Lanes to the westbound 91 Express Lanes

The project also is extending both the eastbound 91 outside general-purpose lane and the eastern end of the 91 Express Lanes approximately one-half mile east to Promenade Avenue to help with vehicle merging in this area. Construction began in April 2021 and the connector is expected to open in 2023.
