## Construction Update: Week of February 7, 2022

### Nighttime Westbound 91 Lane Closures Rescheduled Nighttime Westbound and Eastbound 91 Express Lanes Closures

The 91 Corridor Operations Project crews are completing final project work. For the week of February 7, multiple nighttime lane closures are scheduled to allow crews to safely install overhead signs and roadway striping. **The nighttime westbound and eastbound 91 Express Lanes closures originally scheduled for Thursday, February 3 and westbound lane closures scheduled for Friday, February 4 are canceled due to forecasted high winds.** The closures have been rescheduled for the week of February 7. Please see below for closure details.

Date and Time	Location	Reason
Monday, February 7 at 8 p.m. to Tuesday, February 8 at 4 a.m.	Westbound 91 #3, #4, #5, and #6 lane closures between Green River Rd. and 241	Install Overhead Signs
Tuesday, February 8 at 8 p.m. to Wednesday, February 9 at 4 a.m.	Westbound 91 Express Lanes Closures in Riverside and Orange counties; Westbound 91 #1, #2, #3 lanes	Install Overhead Signs
Tuesday, February 8 at 9 p.m. to Wednesday, February 9 at 5 a.m.	Eastbound 91 Express Lanes from the 55 to County Line	Install Overhead Signs
Wednesday, February 9 at 8 p.m. to Thursday, February 10 at 4 a.m.	Westbound 91 #1, #2, #3, and #4 lane closures between Green River Rd. and 241 Toll Road	Install Overhead Signs
Thursday, February 10 at 8 p.m. to Friday, February 11 at 4 a.m.	Westbound 91 alternating lane closures between Green River Rd. and 241 Toll Road	Roadway Striping
Friday, February 11 at 8 p.m. to Saturday, February 12 at 6 a.m.	Westbound 91 alternating lane closures between Green River Rd. and 241 Toll Road	Roadway Striping

Construction activity is subject to change, based on weather and other factors. Please watch for updates and follow @therctc on social media or sign up by texting 91COP to 80123.

## Completing and Opening the 91 COP

## Project Overview

The Riverside County Transportation Commission, in partnership with Caltrans, the Orange County Transportation Authority, the Transportation Corridor Agencies, and the City of Corona, is building the 91 Corridor Operations Project. The project has added a lane to westbound 91 for approximately two miles between the Green River Road on-ramp and the southbound 241 connector. The new lane, which was built next to the outer shoulder, will help relieve westbound traffic congestion through this heavily traveled corridor.

Please stay connected through construction updates, follow @therctc on social media, and watch for lane closures, narrower lanes, construction crews and equipment, and changing conditions on the 91 and Green River Road. Noisy work also may be required.
