

Interstate 15
RAILROAD CANYON
INTERCHANGE

**Construction Update:
Week of February 21, 2022**

Heads up: A new traffic pattern is set to begin early next week

The existing northbound I-15 on-ramp at Railroad Canyon Rd. will be temporarily **closed starting Monday, February 21 at 8 p.m.** through approximately early April while crews reconstruct the on-ramp.

The new northbound I-15 hook on-ramp, located along Grape St., will **open Tuesday, February 22 at 5 a.m.** Motorists will be directed to the new hook on-ramp during the closure of the existing on-ramp. Crews will restripe lanes, adjust traffic signal timing, and post signs to direct drivers to the hook on-ramp. Once crews rebuild the existing on-ramp, both ramps will be available for motorists to enter northbound I-15.

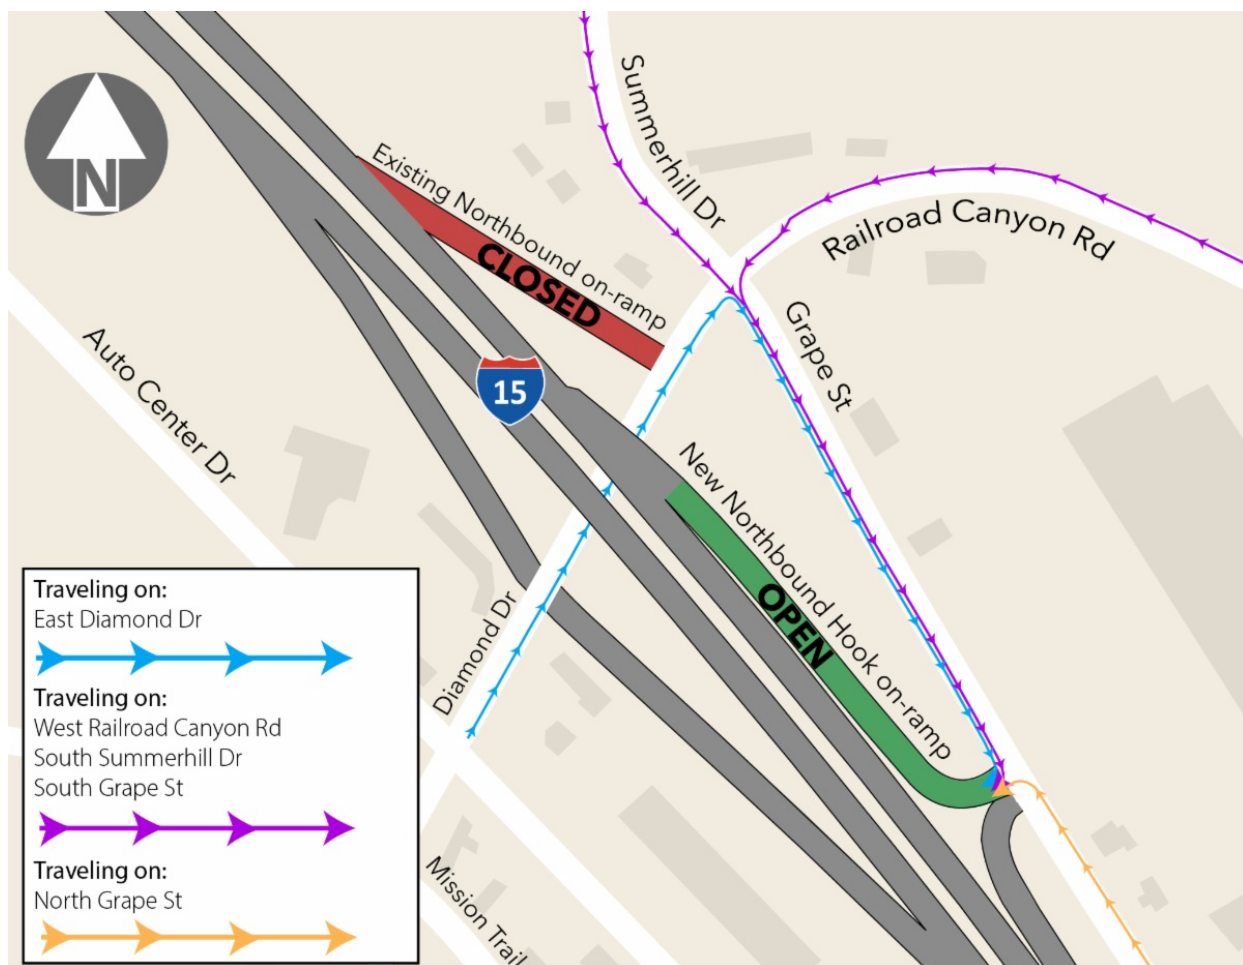

Additional nighttime alternating lane closures are scheduled Monday and Tuesday in both directions on Railroad Canyon Rd. and Grape St. for crews to stripe lanes for the new traffic pattern.

Construction activity is subject to change. Follow us @RailroadCanyon for the latest updates.

Ramp and Local Street Closures – Week of February 21, 2022		
Date	Time	Closure Details
Monday, February 21	8 p.m. – approximately early April 2022	Existing northbound I-15 on-ramp at Railroad Canyon Rd. will be closed Use new northbound I-15 hook on-ramp along Grape St. See map below.
Monday, February 21	9 p.m. – 5 a.m.	Alternating lane closures on eastbound and westbound Railroad Canyon Rd. Alternating lane closures on northbound and southbound Grape St.
Tuesday, February 22	9 p.m. – 5 a.m.	Alternating lane closures on eastbound and westbound Railroad Canyon Rd.

How to Access Northbound I-15

Access to northbound I-15, lane striping, and traffic signal placement will change during this work. Please refer to the map below or [click here for details](#). Please follow on-ramp detour signs for the new traffic pattern.

Project Background

The Riverside County Transportation Commission (RCTC), in partnership with Caltrans and the City of Lake Elsinore, is upgrading the Interstate 15 Railroad Canyon Interchange in Lake Elsinore. RCTC is the lead agency for this project.

The project will improve safety and capacity by adding lanes, modifying ramps, and building sidewalks and bike lanes along Railroad Canyon Road. These improvements will help residents and other travelers move through this area and reach businesses and other “Dream Extreme” attractions in Lake Elsinore.

Please expect periodic closures to lanes and ramps, slow down, allow extra travel time, watch for construction crews and equipment, be alert to changing conditions, follow detours, and stay informed by checking construction updates, social media, and mapping apps.
