

Interstate 15 RAILROAD CANYON INTERCHANGE

Construction Update: Week of February 28, 2022

There are no planned closures for the week of February 28, but construction schedules are subject to change. Follow us @RailroadCanyon for the latest updates.

Reminder: The new northbound I-15 hook-ramp, located along Grape St., is now open. The existing northbound on-ramp, located on Railroad Canyon Rd., is closed until approximately early April. Please continue to use the new hook on-ramp and follow all posted traffic signs.

Project Progress

After crews rebuild the existing on-ramp, drivers can access northbound I-15 from either Railroad Canyon Rd. or Grape St.

Project Background

The Riverside County Transportation Commission (RCTC), in partnership with Caltrans and the City of Lake Elsinore, is upgrading the Interstate 15 Railroad Canyon Interchange in Lake Elsinore. RCTC is the lead agency for this project.

The project will improve safety and capacity by adding lanes, modifying ramps, and building sidewalks and bike lanes along Railroad Canyon Road. These improvements will help residents and other travelers move through this area and reach businesses and other “Dream Extreme” attractions in Lake Elsinore.

Please expect periodic closures to lanes and ramps, slow down, allow extra travel time, watch for construction crews and equipment, be alert to changing conditions, follow detours, and stay informed by checking construction updates, social media, and mapping apps.
