The existing northbound I-15 on-ramp at Railroad Canyon Rd will be temporarily **closed starting Monday, February 21 at 8 p.m.** through approximately early April while crews reconstruct the on-ramp.

The new northbound I-15 hook on-ramp, located along Grape St, will **open Tuesday, February 22 at 5 a.m.** Motorists will be directed to the new hook on-ramp during the closure of the existing on-ramp. Crews will restripe lanes, adjust traffic signal timing, and post signs to direct drivers to the hook on-ramp. Once crews rebuild the existing on-ramp, both ramps will be available for motorists to enter northbound I-15.
