Friday, March 11 at 8 p.m. to Saturday, March 12 at 6 a.m.	Westbound 91 Express Lanes closed in Riverside and Orange counties; Westbound 91 intermittent general-purpose lane closures between Green River Rd. and the 241. At least two lanes will be open.	Install Overhead Signs

Construction activity is subject to change, based on weather and other factors. Please watch for updates and follow @therctc on social media or sign up by texting 91COP to 80123.

# Completing and Opening the 91 COP

## Project Overview

The Riverside County Transportation Commission, in partnership with Caltrans, the Orange County Transportation Authority, the Transportation Corridor Agencies, and the City of Corona, is building the 91 Corridor Operations Project. The project has added a lane to westbound 91 for approximately two miles between the Green River Road on-ramp and the southbound 241 connector. The new lane, which was built next to the outer shoulder, will help relieve westbound traffic congestion through this heavily traveled corridor.

Please stay connected through construction updates, follow @therctc on social media, and watch for lane closures, narrower lanes, construction crews and equipment, and changing conditions on the 91 and Green River Road. Noisy work also may be required.
