

Rebuilt Northbound I-15 On-Ramp to Open

The newly rebuilt northbound I-15 on-ramp at Railroad Canyon Rd will open **Friday, April 15 at 4 a.m.** The northbound I-15 hook on-ramp on Grape St. will also remain open, giving drivers a choice of two on-ramps. Crews have restriped lanes, changed traffic signal locations, and built a new roadway median beneath I-15 along Railroad Canyon Rd.

Please see the map below for details and follow all traffic signs.

How to Access Northbound I-15:

- **Traveling on East Diamond Dr:** Use the far-right lane to turn onto Grape St. Turn right onto the northbound I-15 hook on-ramp using the far right-turn lane
- **Traveling on West Railroad Canyon Rd:** Head toward Grape St. Continue through the intersection of Railroad Canyon Rd and Grape St and turn right onto the northbound I-15 on-ramp using the right-turn lane
- **Traveling on South Summerhill Dr:** Head toward Railroad Canyon Rd using the far-right lane. Turn right onto Railroad Canyon Rd and turn right onto the northbound I-15 on-ramp using the right-turn lane
- **Traveling on North Grape St:** Turn left onto the new northbound I-15 hook on-ramp using the left-turn lane

Important Details

- **The traffic signal at Railroad Canyon Rd and the northbound I-15 on-ramp has been removed.** Eastbound motorists will no longer be able to turn left at this intersection.
- **A new median has been installed on Railroad Canyon Rd beneath I-15.** Eastbound motorists may access northbound I-15 using the Grape St hook on-ramp.
- **Watch for new lane striping** on eastbound and westbound Railroad Canyon Rd, northbound and southbound Grape St, and southbound Summerhill Dr
