Interstate 15
INTERIM CORRIDOR
OPERATIONS PROJECT

Construction signs are up, and work is expected to start the week of May 16 on this new RCTC project. The Interstate 15 Corridor Operations Project will add a non-tolled travel lane to southbound I-15 between the Cajalco Road on-ramp and the Weirick Road off-ramp. Completion is anticipated in late summer/early fall.

PROJECT OVERVIEW

The Riverside County Transportation Commission, in partnership with Caltrans, is building the 15/91 Express Lanes Connector to link the 15 Express Lanes and the 91 Express Lanes for seamless, reliable travel. New connections will be provided:

- From the eastbound 91 Express Lanes to the northbound 15 Express Lanes and
- From the southbound 15 Express Lanes to the westbound 91 Express Lanes

The project also is extending both the eastbound 91 outside general-purpose lane and the eastern end of the 91 Express Lanes approximately one-half mile east to Promenade Avenue to help with vehicle merging in this area. Construction began in April 2021 and the connector is expected to open in 2023.
