

**91 REFRESH
PROJECT**

CONSTRUCTION UPDATE

A Project of the Riverside County Transportation Commission

JUNE 15, 2022

91 REFRESH PROJECT TO START JUNE 20

The Riverside County Transportation Commission, in partnership with Caltrans, is starting work on the 91 Refresh Project next week. This project will repave lanes and make repairs to sound walls and associated concrete barriers along the outer portions of eastbound and westbound 91 in Corona.

Work will take place along the 91, mainly between the Lincoln Avenue Interchange and Interstate 15, an area with a long history of roadway settlement due to the Temescal Wash. Temporary lane shifts, weekend full closures, and lane closures will allow crews to safely complete the work. Work on surface streets also will occur. The project is expected to be completed this fall.

Watch for weekly updates on Fridays and see information below to register for text updates.
