

## 91 REFRESH PROJECT

# CONSTRUCTION UPDATE

A Project of the Riverside County Transportation Commission

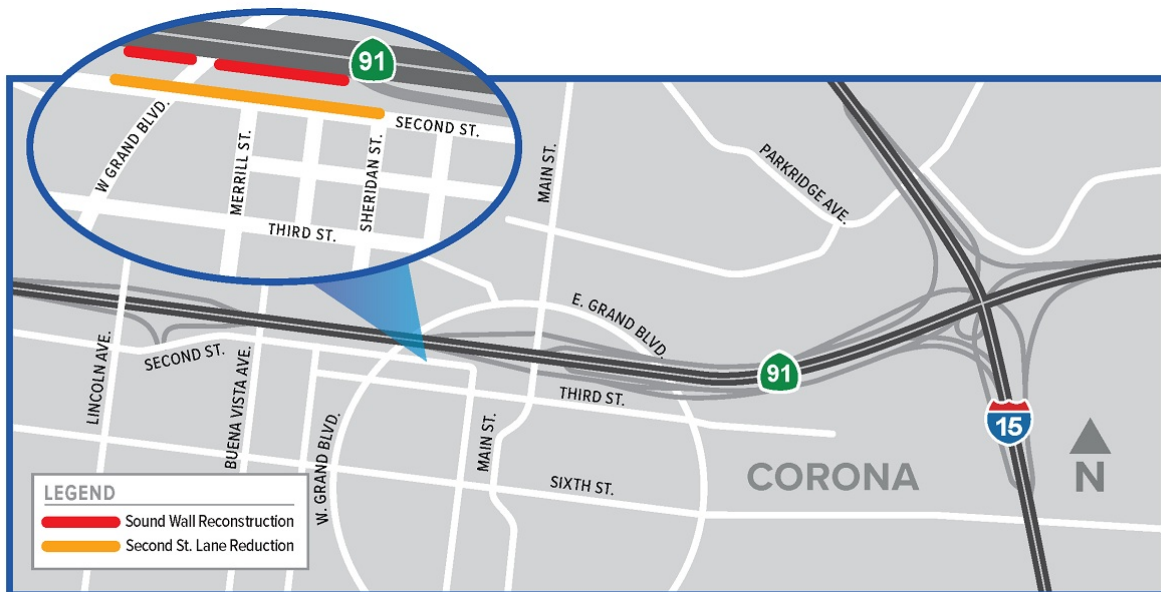

JUNE 20, 2022

## Reconstruction of Eastbound 91 Sound Wall, Second Street and W. Grand Boulevard, Corona

Crews will be preparing to demolish and rebuild portions of the eastbound 91 sound wall at Second St. and W. Grand Blvd. Crews also will be relocating utility cables. Work is scheduled during **daytime hours, Monday, June 20 through Friday, June 24, 7 a.m. to 4 p.m.**

### Lane Reductions

For the safety of the crews and drivers, intermittent lane closures will occur on westbound Second Street, between Sheridan St. and W. Grand Blvd. Flaggers also will help motorists travel through the area.

*Please note that construction activity is subject to change.*

## ABOUT THE PROJECT

The Riverside County Transportation Commission, in partnership with Caltrans, is starting work on the 91 Refresh Project. This project will repave lanes and make repairs to sound walls and associated concrete barriers along the outer portions of eastbound and westbound 91 in Corona. Work will take place along the 91, mainly between the Lincoln Avenue Interchange and Interstate 15, an area with a long history of roadway settlement due to the Temescal Wash. Temporary lane shifts, weekend full closures, and lane closures will allow crews to safely complete the repaving and repair work. The project is expected to be completed this fall.
