## Project Progress

**Please travel safely over the Independence Day holiday weekend. Follow all posted traffic signs and never drink and drive.**

A blue graphic celebrating the 4th of July. At the top left is the RCTC logo and the text 'Interstate 15 RAILROAD CANYON INTERCHANGE'. To the right is a red starburst graphic. The center features the text '4TH OF JULY' in large white letters above a stylized American flag with blue stars and white stripes. At the bottom, it says 'Wishing you a Happy Independence Day!' in white text, with a yellow starburst graphic to the left.

## Project Background

The Riverside County Transportation Commission (RCTC), in partnership with Caltrans and the City of Lake Elsinore, is upgrading the Interstate 15 Railroad Canyon Interchange in Lake Elsinore. RCTC is the lead agency for this project.

The project will improve safety and capacity by adding lanes, modifying ramps, and building sidewalks and bike lanes along Railroad Canyon Road. These improvements will help residents and other travelers move through this area and reach businesses and other “Dream Extreme” attractions in Lake Elsinore.

While the interchange officially opened in April, please expect periodic closures to lanes and ramps as crews complete closeout work. Remember to slow down, allow extra travel time, watch for construction crews and equipment, be alert to changing conditions, follow detours, and stay informed by checking construction updates, social media, and mapping apps.
