

91 REFRESH PROJECT

CONSTRUCTION UPDATE

A Project of the Riverside County Transportation Commission

JULY 22, 2022

Nightly lane, connector and ramp closures are planned **July 25-30** for construction activity on the 91 Refresh project. Please see details below and plan ahead for daytime lane reductions on the Main Street on-ramp and multiple closures on Saturday, July 30.

Eastbound 91 Main St. On-Ramp (Lane Reductions)

- Monday, July 25 through Friday, July 29, daily, 9 a.m. to 3 p.m.

Northbound and Southbound 15 to Westbound 91 Connector Closure

- Saturday, July 30, 11 p.m. to 8 a.m.

Northbound 15 to Westbound 91 Express Lanes Connector and Westbound 91 Ingress/Egress Lane to the County Line Closures

- Saturday, July 30, 10 p.m. to 7 a.m.

Eastbound 91 Main St. Off-Ramp Closure

- Saturday, July 30, 11 p.m. to 9 a.m.

Westbound 91 Main St. On-Ramp and Off-Ramp Closures

- Saturday, July 30, 10 pm. to 8:30 a.m.

Westbound 91 Lincoln Ave. On-Ramp Closure

- Saturday, July 30, 11 p.m. to 9 a.m.

Westbound 91 Lincoln Ave. Off-Ramp Closure

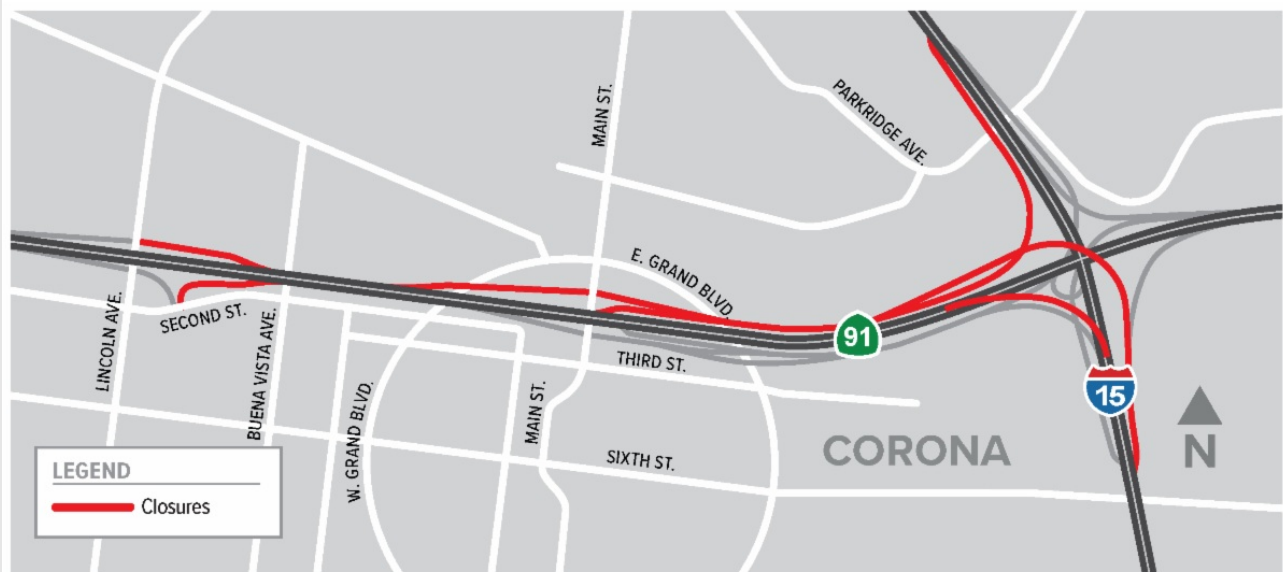

- Saturday, July 30, 10 p.m. to 8:30 a.m.

Eastbound 91, Lincoln Ave. to I-15 (Lane Reductions)

- Saturday, July 30 11 p.m. to 9 a.m.

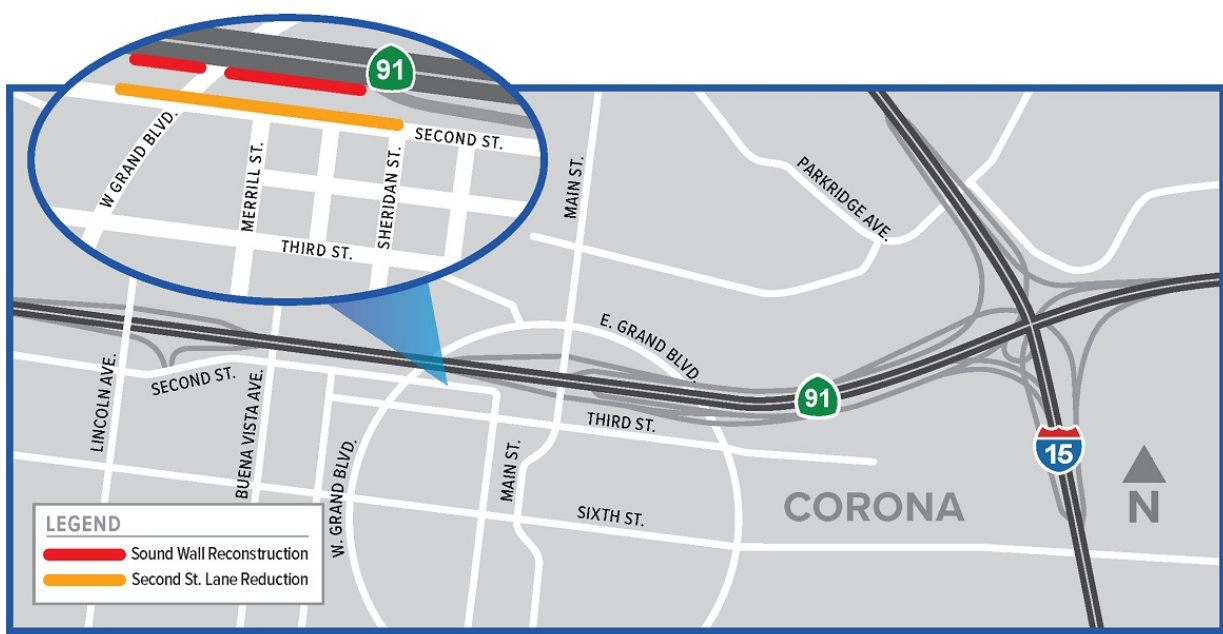

Westbound 91, I-15 to Smith Ave. (Lane Reductions)

- Saturday, July 30, 10 p.m. to 8:30 a.m.

Lane Reductions, Second Street

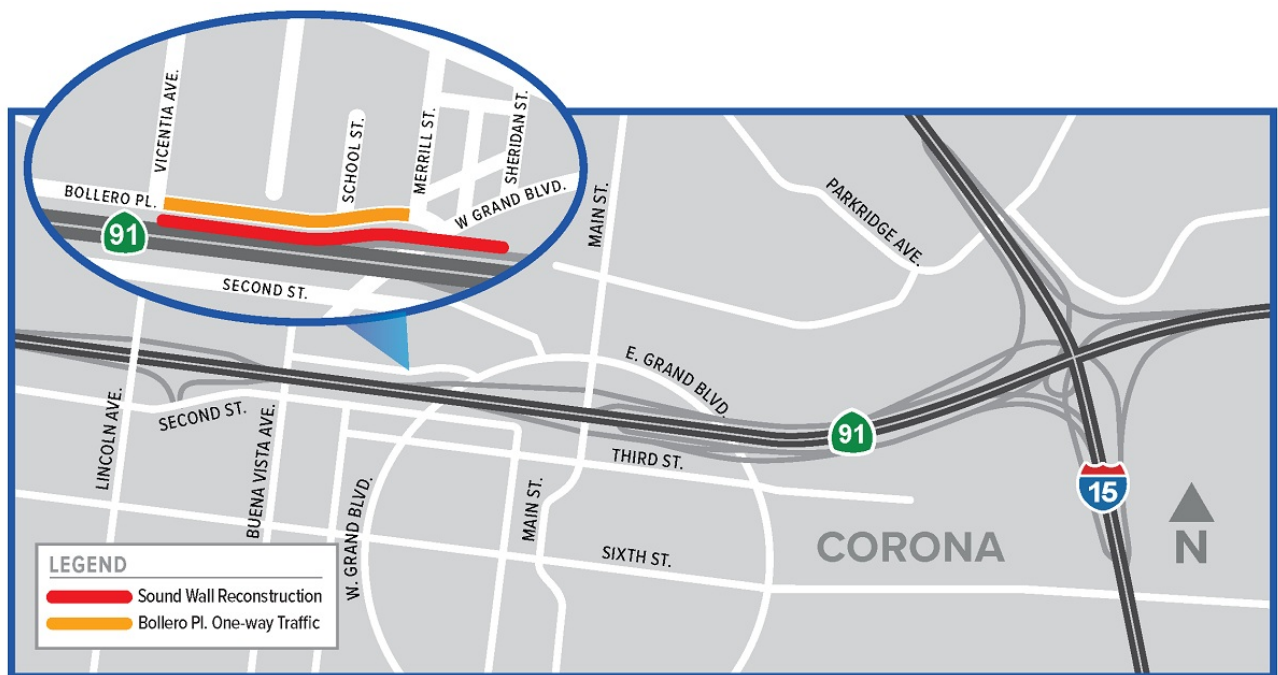

For the safety of the crews and drivers, intermittent lane closures will occur on westbound Second St., between Sheridan St. and W. Grand Blvd., during weekday, daytime hours for sound wall reconstruction. Flaggers also will help motorists travel through the area.

Reconstruction of Westbound 91 Sound Wall along Bollero Place

Starting mid-July, crews will begin demolishing and rebuilding portions of the westbound 91 sound wall along Bollero Pl., between W. Grand Blvd. and N. Vicentia Ave. Work is scheduled during daytime and nighttime hours.

For the safety of the crews and motorists, intermittent lane closures will occur on Bollero Pl., between Merrill St. and N. Vicentia Ave. Flaggers also will help motorists travel through the area. Parking on Bollero Pl. may be restricted during construction work.

Please note that construction activity is subject to change.

ABOUT THE PROJECT

The Riverside County Transportation Commission, in partnership with Caltrans, is starting delivering the 91 Refresh Project. This project will repave lanes and make repairs to sound walls and associated concrete barriers along the outer portions of eastbound and westbound 91 in Corona. Work will take place along the 91, mainly between the Lincoln Avenue Interchange and Interstate 15, an area with a long history of roadway settlement due to the Temescal Wash. Temporary lane shifts, weekend full closures, and lane closures will allow crews to safely complete the repaving and repair work. The project is expected to be completed this fall.
