

91 REFRESH PROJECT

CONSTRUCTION UPDATE

A Project of the Riverside County Transportation Commission

AUGUST 22, 2022

UPCOMING WEEKEND FULL CLOSURE

**ALL LANES CLOSED
EASTBOUND 91
MAIN ST. TO WEST OF I-15
August 26-29**

RCTC.Org/91Refresh

POSTPONED

A weekend full closure of eastbound 91 from Main Street to just west of I-15 in Corona will occur **Friday, August 26 at 9 p.m. to Monday, August 29 at 5 a.m.**

The eastbound 91 Express Lanes and the eastbound 91 Main St. on-ramp also will be closed. The 15/91 Interchange will remain open.

Crews will be repaving lanes in this area. For the safety of motorists and crews, detours will be in place. Please avoid the area or allow extra travel time due to anticipated significant delays.

LANE AND RAMP CLOSURES

In addition to the weekend closure August 26-29, other closures are planned for the week of August 22. Please see details below.

Westbound 91 Main St. On-Ramp Lane Reductions

- Monday, August 22 through Friday, August 26, daily, 9 a.m. to 3 p.m.

Eastbound 91 Main St. On-Ramp Closures

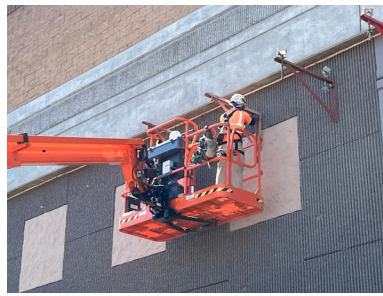

- Monday, August 22 through Thursday, August 25, nightly, 9 p.m. to 5:30 a.m.

Eastbound 91 Express Lanes Closures

- Monday, August 22 through Thursday, August 25, nightly, 10 p.m. to 6 a.m.

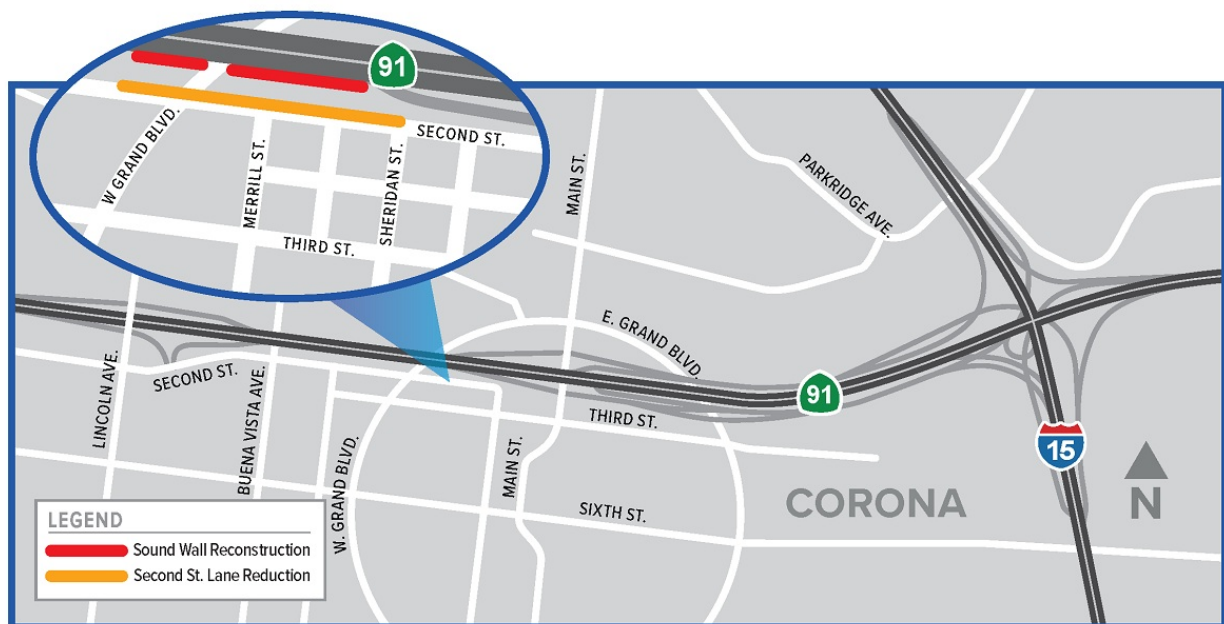

Eastbound 91 Main St. to I-15 Lane Reductions

- Monday, August 22 through Thursday, August 25, nightly, 9 p.m. to 6 a.m.
- Friday, August 26, 7 p.m. to 9 p.m.

Lane Reductions, Second Street

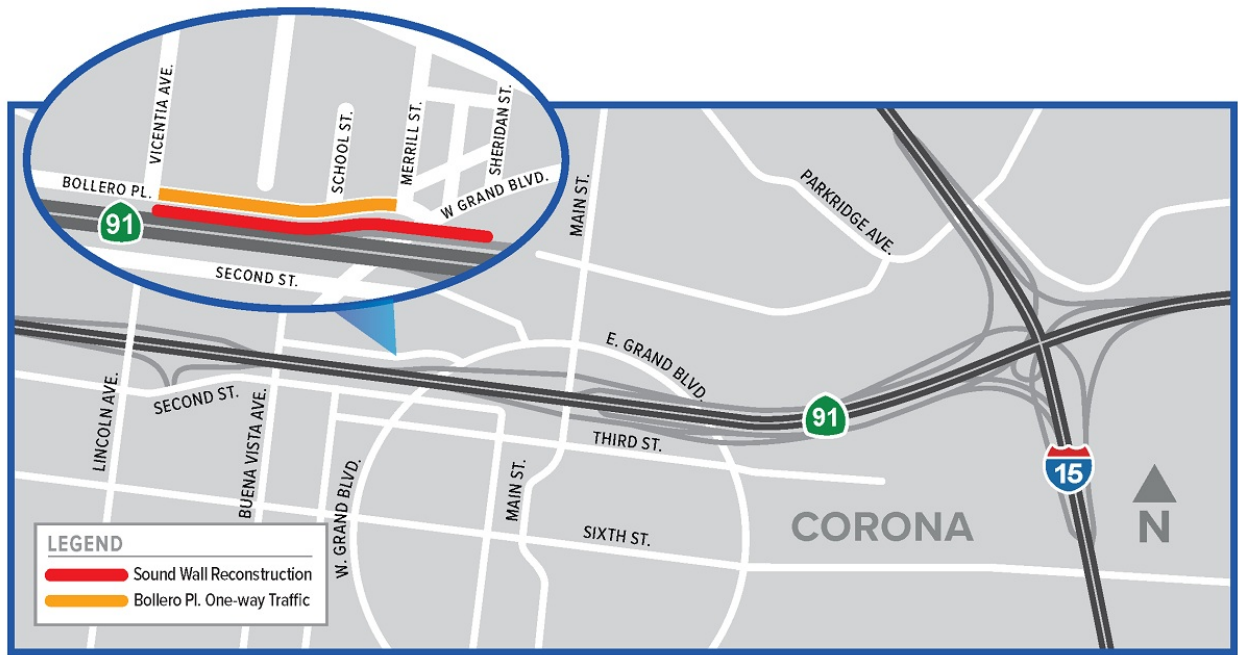

For the safety of the crews and drivers, intermittent lane closures will occur on westbound Second St., between Sheridan St. and W. Grand Blvd., during weekday, daytime hours for sound wall reconstruction. Flaggers also will help motorists travel through the area.

Reconstruction of Westbound 91 Sound Wall along Bollero Place

Crews began demolishing and rebuilding portions of the westbound 91 sound wall along Bollero Pl., between W. Grand Blvd. and N. Vicentia Ave. Work is scheduled during daytime and nighttime hours.

For the safety of the crews and motorists, intermittent lane closures will occur on Bollero Pl., between Merrill St. and N. Vicentia Ave. Flaggers also will help motorists travel through the area. Street parking may be restricted during construction work.

Please note that construction activity is subject to change.

ABOUT THE PROJECT

The Riverside County Transportation Commission, in partnership with Caltrans, is delivering the 91 Refresh Project. This project will repave lanes and make repairs to sound walls and associated concrete barriers along the outer portions of eastbound and westbound 91 in Corona. Work will take place along the 91, mainly between the Lincoln Avenue Interchange and Interstate 15, an area with a long history of roadway settlement due to the Temescal Wash. Temporary lane shifts, weekend full closures, and lane closures will allow crews to safely complete the repaving and repair work. The project is expected to be completed this fall.
