

**Interstate 15  
RAILROAD CANYON  
INTERCHANGE**

**Construction Update:  
Week of August 15, 2022**

Nightly off-ramp closures are planned for the week of August 15 for crews to safely continue work on traffic signals. See below for details.

Also, starting the week of August 15, ramp meters will be in place on all project-area on-ramps. Please plan ahead and allow for extra travel time as motorists adjust to the new ramp meters.

Construction activity is subject to change. Follow us @RailroadCanyon for the latest updates.

## Project Background

The Riverside County Transportation Commission (RCTC), in partnership with Caltrans and the City of Lake Elsinore, is upgrading the Interstate 15 Railroad Canyon Interchange in Lake Elsinore. RCTC is the lead agency for this project.

The project will improve safety and capacity by adding lanes, modifying ramps, and building sidewalks and bike lanes along Railroad Canyon Road. These improvements will help residents and other travelers move through this area and reach businesses and other “Dream Extreme” attractions in Lake Elsinore.

While the interchange officially opened in April, please expect periodic closures to lanes and ramps as crews complete closeout work. Remember to slow down, allow extra travel time, watch for construction crews and equipment, be alert to changing conditions, follow detours, and stay informed by checking construction updates, social media, and mapping apps.
