EXPRESS LANES  
CONNECTOR

The Riverside County Transportation Commission, in partnership with Caltrans, is building the 15/91 Express Lanes Connector to link the 15 Express Lanes and the 91 Express Lanes for seamless, reliable travel. New connections will be provided:

- From the eastbound 91 Express Lanes to the northbound 15 Express Lanes and
- From the southbound 15 Express Lanes to the westbound 91 Express Lanes

The project also is extending both the eastbound 91 outside general-purpose lane and the eastern end of the 91 Express Lanes approximately one-half mile east to Promenade Avenue to help with vehicle merging in this area. Construction began in April 2021 and the connector is expected to open in 2023.
