Please note that construction activity is subject to change.

ABOUT THE PROJECT

The Riverside County Transportation Commission, in partnership with Caltrans, is delivering the 91 Refresh Project. This project will repave lanes and make repairs to sound walls and associated concrete barriers along the outer portions of eastbound and westbound 91 in Corona. Work will take place along the 91, mainly between the Lincoln Avenue Interchange and Interstate 15, an area with a long history of roadway settlement. Temporary lane shifts, weekend full closures, and lane closures will allow crews to safely complete the repaving and repair work. Most of the work is expected to be completed by early 2023.
