

Construction Update: Week of February 13, 2023

[En Español](#)

Nighttime lane closures are scheduled the week of February 13 to allow crews to safely make roadway repairs. Construction activity is subject to change. Follow us [@60TruckLanes](#) for the latest updates.

Eastbound 60 Nighttime Lane Closures

The eastbound 60 truck lane and middle lane will be closed nightly, **Wednesday, February 15 and Thursday, February 16**, from Gilman Springs Road to Jack Rabbit Trail in the Badlands, **9 p.m. - 6 a.m.** This closure will allow crews to safely make concrete repairs. Please allow for extra travel time through this area.

Project Background

RCTC, in partnership with Caltrans, widened a 4.5-mile section of Route 60 from Gilman Springs Road to 1.4 miles west of Jack Rabbit Trail in Riverside County’s Badlands between Moreno Valley and Beaumont. The project was within mountainous terrain with a curving alignment and steep grades. The project was designed to improve safety and efficiency of travel between the Coachella Valley and western Riverside County. Click [here](#) to view project videos.
