CONSTRUCTION UPDATE

Week of February 6, 2023

Construction activity has started! Follow traffic signs, reduce your speed through our construction zone, and allow extra travel time.

Nightly alternating lane closures are scheduled on northbound and southbound 71 for crews to safely set k-rail, restripe lanes, and remove the median barrier.

Date	Time	Closure Details
Monday, February 6 – Friday, February 10	Nightly, 9 p.m. – 5 a.m.	Southbound 71 alternating lane closures
Monday, February 6 – Friday, February 10	Nightly, 9 p.m. – 4 a.m.	Northbound 71 alternating lane closures
Saturday, February 11	12:01 a.m. – 6 a.m.	Southbound 71 alternating lane closures

Project Background

The new non-tolled interchange is designed to improve safety, expand access to other modes of travel, reduce greenhouse gas emissions, enhance traffic flow, and support continued movement of native wildlife through the area. Construction is anticipated to be completed in 2025. See below for ways to stay connected with construction updates.
