

State Route 60 TRUCK LANES

Construction Update: Friday, May 12, 2023

Nighttime lane closures are scheduled on eastbound and westbound 60 in the Badlands between Moreno Valley and Beaumont on Friday, May 12 from 10 p.m. to 7 a.m. No detours are required since other lanes will remain open. Closures will allow crews to safely make roadway repairs.

Construction is subject to change. Follow [@60TruckLanes](#) on social media for the latest project information.

Reminders

We remind all motorists to follow all posted traffic signs, allow for extra travel time, reduce your speed through construction zones, and **#BeWorkZoneAlert**.

Project Background

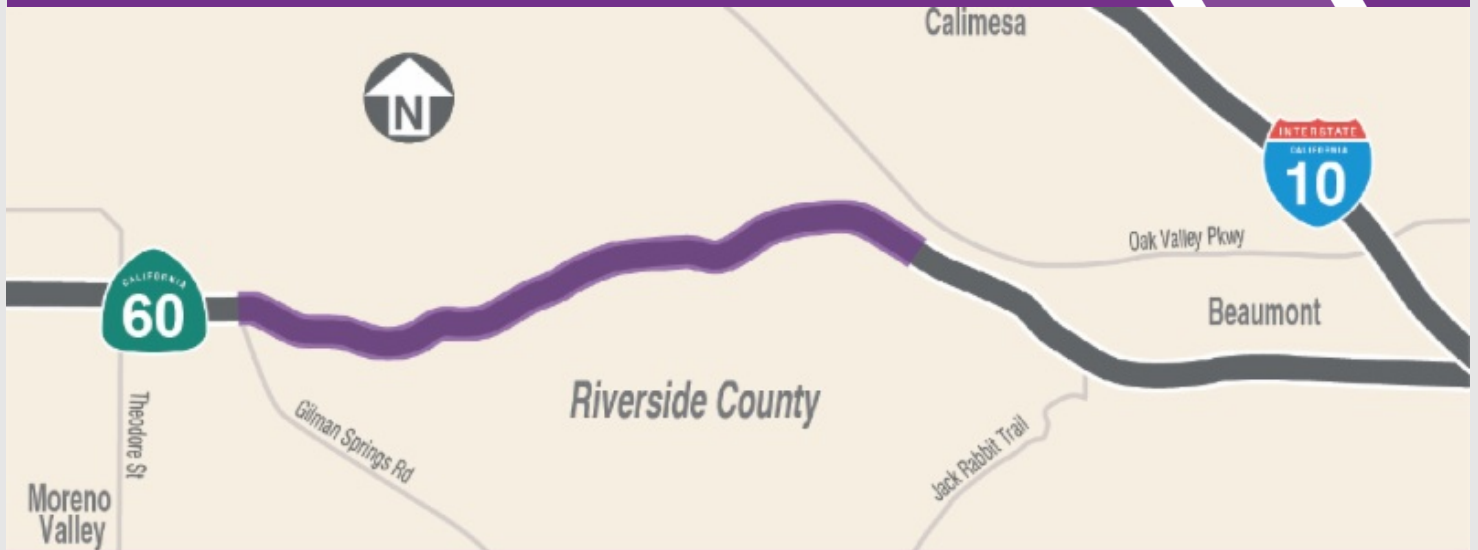

RCTC, in partnership with Caltrans, widened a 4.5-mile section of Route 60 from Gilman Springs Road to 1.4 miles west of Jack Rabbit Trail in Riverside County's Badlands between Moreno Valley and Beaumont. The project was within mountainous terrain with a curving alignment and steep grades. The project was designed to improve safety and efficiency of travel between the Coachella Valley and western Riverside County. Click [here](#) to view project videos.
