

CONSTRUCTION UPDATE

Week of May 15, 2023

Nightly lane and ramp closures on the 91 in Corona are planned for crews to safely continue roadway excavation, perform earthwork, and safely move equipment into the center median.

Eastbound 91 Full Closure

A full nighttime closure of eastbound 91 is scheduled for Saturday, May 20, from 1 a.m. to 7 a.m., to allow crews to safely move equipment in the center median of the 91. See the table below for additional closure details and the detour route.

Sky Tour

Project Background

The new non-tolled interchange is designed to improve safety, expand access to other modes of travel, reduce greenhouse gas emissions, enhance traffic flow, and support continued movement of native wildlife through the area. Construction is anticipated to be completed in 2025.
