

# CONSTRUCTION UPDATE

## Week of September 4, 2023

Nighttime eastbound 91 lane reductions and eastbound Green River Rd. on-ramp closures are scheduled for Tuesday, September 5, and Thursday, September 7, to allow crews to continue working on the 71/91 Interchange Project safely. Closure details are below. Construction activity and closure schedules are subject to change.

In observance of the Labor Day holiday, no closures will take place from Friday morning, September 1 through Tuesday morning, September 5.

### Highway and Express Lane Closures

Date/Time	Activity and Location	Detour
Tuesday, September 5 10 p.m. – 6 a.m.	Eastbound 91 lane reductions from the County Line to the I-15	No detour required, since other lanes will remain open

### Sky Tour

71/91  
INTERCHANGE  
PROJECT

Excavation and wall work continues alongside the hills of southbound 71.

## Project Background

The new non-tolled interchange is designed to improve safety, expand access to other modes of travel, reduce greenhouse gas emissions, enhance traffic flow, and support continued movement of native wildlife through the area. Construction is anticipated to be completed in 2025.
