

CONSTRUCTION UPDATE

Week of October 16, 2023

Nighttime 91 and 71 lane reductions and closures of Express Lanes and ramps are scheduled the week of October 16 – 20 to allow crews to begin falsework installation over eastbound 91.

Closure details are below. Construction activity and closure schedules are subject to change.

Nightly eastbound 91 full closures begin on Monday, October 16.

Upcoming Full Eastbound 91 Closures

The Riverside County Transportation Commission's 71/91 Interchange Project will require nightly full closures (**Monday through Wednesday**) of the eastbound 91 beginning **Monday, October 16, 2023 through Tuesday, November 21, 2023.**

The following closures will be scheduled:

FULL EASTBOUND 91 CLOSURES

Green River Rd. to Serfas Club Dr./Auto Center Dr.

- **Nightly, Monday – Wednesday**
11 p.m. – 5 a.m.

EASTBOUND 91 EXPRESS LANES CLOSURES

From Orange County/Riverside County Line to 15/91 Interchange

- **Nightly, Monday – Wednesday**
10 p.m. – 6 a.m.

EASTBOUND GREEN RIVER RD. ON-RAMP CLOSURES

- **Nightly, Monday – Wednesday**
10 p.m. – 6 a.m.

These closures will allow crews to safely construct support structures and place beams for the new eastbound 91 to northbound 71 connector. Crews will build a 30-foot-tall structure over the 91 and set more than 200 beams over the eastbound and westbound 91 lanes.

Additional nighttime lane reductions, 91 Express Lanes closures in Riverside County, ramp closures, and connector closures will occur Thursday – Sunday nights. Full westbound 91 closures will be scheduled in late 2023 to allow crews to build the structure over westbound 91. Closure dates are subject to change due to weather, site conditions, construction progress, and other factors.

Project Background

The new non-tolled interchange is designed to improve safety, expand access to other modes of travel, reduce greenhouse gas emissions, enhance traffic flow, and support continued movement of native wildlife through the area. Construction is anticipated to be completed in 2025.
