PROJECT

PLAN AHEAD FOR EASTBOUND 91 CLOSURES IN CORONA

October - November 2023

The Riverside County Transportation Commission's 71/91 Interchange Project will require nightly full closures (Monday through Wednesday) of the eastbound 91 beginning Monday, October 16, 2023 through Tuesday, November 21, 2023. The following closures will be scheduled:

FULL EASTBOUND 91 CLOSURES

Green River Rd. to Serfas Club Dr./Auto Center Dr.

- **Nightly, Monday - Wednesday**
11 p.m. - 5 a.m.

EASTBOUND 91 EXPRESS LANES CLOSURES

From Orange County/Riverside County Line to 15/91 Interchange

- **Nightly, Monday - Wednesday**
10 p.m. - 6 a.m.

EASTBOUND GREEN RIVER RD. ON-RAMP CLOSURES

- **Nightly, Monday - Wednesday**
10 p.m. - 6 a.m.

Closure dates are subject to change due to weather, site conditions, construction progress, and other factors.

These closures will allow crews to safely construct support structures and place beams for the new eastbound 91 to northbound 71 connector. Crews will build a 30 foot tall structure over the 91 and set more than 200 beams over the eastbound and westbound 91 lanes.

Additional nighttime lane reductions, 91 Express Lanes closures in Riverside County, ramp closures, and connector closures will occur Thursday - Sunday nights. Full westbound 91 closures will be scheduled in late 2023 to allow crews to build the structure over westbound 91.

Eastbound Alternate Routes

Eastbound travelers should use northbound 57 to eastbound 60 to southbound 71 to eastbound 91 to reach eastbound destinations. Motorists may also use the eastbound 91 at Green River Rd. to Palisades Dr. to Serfas Club Dr. to reenter the eastbound 91. Expect heavy traffic delays.

REGIONAL DETOUR

LOCAL DETOUR

Residents should expect traffic congestion on streets near the 91 and 71 and should plan for extra time to reach local destinations. Fire, police, and ambulance services will have access to emergency response. During these closures, heavy traffic delays are expected for motorists traveling on the 91 and 71 through Corona.
