NEIGHBORING PROJECTS

Caltrans Southbound 15 Closures on January 27

Caltrans will require a closure of all general-purpose lanes on the southbound 15 at El Cerrito Rd. in Corona on **Saturday, January 27, from 4 a.m. to 1 p.m.** to complete maintenance work. Caltrans will use the closure to repave the non-tolled lanes in the area. The general purpose southbound 15 lane and right shoulder will be closed between El Cerrito and Cajalco Road. The southbound I-15 El Cerrito Road and Ontario Avenue on-ramps will also be closed. All traffic will be diverted to the southbound 15 Express Lanes just north of Ontario Avenue. **Tolls will be suspended on the southbound 15 Express Lanes for the segments between 2nd Street and Cajalco Rd.** to allow traffic to move safely. Please plan ahead and allow for extra travel time, as delays are expected. For information and construction details, [click here](#).

PROJECT OVERVIEW

The Riverside County Transportation Commission, in partnership with Caltrans, is building the 15/91 Express Lanes Connector to link the 15 Express Lanes and the 91 Express Lanes for seamless, reliable travel. New connections will be provided:

- From the eastbound 91 Express Lanes to the northbound 15 Express Lanes and
- From the southbound 15 Express Lanes to the westbound 91 Express Lanes

The project also is extending both the eastbound 91 outside general-purpose lane and the eastern end of the 91 Express Lanes approximately one-half mile east to Promenade Avenue to help with vehicle merging in this area. Construction began in April 2021 and the connector is expected to open in 2023.
