

# CONSTRUCTION UPDATE

**Week of February 20, 2024**

Nightly full closures of westbound 91 are scheduled for the week of February 20, 2024.

Nightly east and westbound 91 Express Lanes closures, alternating lane closures, on-ramp closures, and connector closures are also scheduled throughout the week.

Closure details below. Please note, construction activity and schedules are subject to change.

In observance of the President’s Day holiday, no closures will take place from Friday, February 16 through Tuesday morning, February 20.

## Sky Tour

## RCTC Traffic Relief Plan

The Riverside County Transportation Commission (RCTC) developed the Traffic Relief Plan – a transportation improvement and funding strategy for Riverside County residents. The Plan was developed over a years-long public and community engagement effort amongst Riverside County residents, its community leaders, and local stakeholder groups to identify transportation improvements and to look at future transportation and mobility needs to help the County’s growing population and economy. [Submit your feedback today!](#)

Improved Transportation = Less Traffic Congestion

We need your input at [TrafficReliefPlan.org](https://TrafficReliefPlan.org).

### 15/91 Express Lanes Connector Project

The Riverside County Transportation Commission (RCTC) is excited to announce the 15/91 Express Lanes Connector is now open! The new connector provides Express Lanes access from the eastbound 91 to the northbound 15 and the southbound 15 to westbound 91 Express Lanes. [Click here to learn more.](#)

## McKinley Street Grade Separation Project

Work is under way on this City of Corona project. For information and construction details, please visit the project [webpage](#) and register for text updates by texting MCKINLEY at 844-518-1409.

## Project Background

The new non-tolled interchange is designed to improve safety, expand access to other modes of travel, reduce greenhouse gas emissions, enhance traffic flow, and support continued movement of native wildlife through the area. Construction is anticipated to be completed in 2025.
