Project Background

RCTC, in partnership with Caltrans, widened a 4.5-mile section of Route 60 from Gilman Springs Road to 1.4 miles west of Jack Rabbit Trail in Riverside County's Badlands between Moreno Valley and Beaumont. The project was within mountainous terrain with a curving alignment and steep grades. The project was designed to improve safety and efficiency of travel between the Coachella Valley and western Riverside County. Click [here](#) to view project videos.
