

CONSTRUCTION UPDATE

Week of September 2, 2024

Nightly alternating lane closures of eastbound 91 and southbound 71, connector closures, and ramp closures are scheduled for the week of September 2, 2024.

Please see closure details below. Construction activity and closure schedules are subject to change.

In observance of the Labor Day holiday, no closures will take place from Friday, August 30 to Tuesday, September 3.

Upcoming Northbound 71 Connector Closures

A nighttime full closure of the eastbound and westbound 91 to northbound 71 connectors are scheduled for **Friday, September 6**. Motorists traveling to destinations along the 71 such as Chino, Chino Hills, and Pomona are encouraged to use alternate routes and avoid the 71/91 interchange. Closure times and detour routes below.

McKinley Street Grade Separation Project

Work is under way on this City of Corona project. For information and construction details, please visit the [project webpage](#) and register for text updates by texting MCKINLEY at 844518-1409.

Project Background

The new non-tolled interchange is designed to improve safety, expand access to other modes of travel, reduce greenhouse gas emissions, enhance traffic flow, and support continued movement of native wildlife through the area. Construction is anticipated to be completed in 2025.
