

CONSTRUCTION UPDATE

Week of November 4, 2024

Did you know? Unused lumber for falsework for the 71/91 Interchange project is recycled and reused for other infrastructure improvement projects!

An eastbound 91 Express Lanes closure is scheduled this weekend; however, no closures are scheduled for the week of November 4, 2024. Please note, construction activity and closure schedules are subject to change.

Follow the project on social media (@7191Interchange) to see the latest photos and videos of construction progress!

Highway and Express Lanes Closures

Date/Time	Activity and Location	Detour
Sunday, November 3 4 a.m. – 10 a.m.	Eastbound 91 Express Lanes closed from the County Line to I-15	No detour required, since other lanes will remain open

Work is under way on the city of Corona project. For information and construction details, please visit the project [webpage](#) and register for text updates by texting MCKINLEY at 844-518-1409.

Project Background

The new non-tolled interchange is designed to improve safety, expand access to other modes of travel, reduce greenhouse gas emissions, enhance traffic flow, and support continued movement of native wildlife through the area. Construction is anticipated to be completed in 2025.
