

CONSTRUCTION UPDATE

Week of April 7, 2025

UPDATE: Weeknight Full Closures of Southbound 71 Complete

On Friday night, the construction crews successfully removed the falsework on the southbound 71. Thank you for your patience as we work to deliver the 71/91 Interchange Project.

Nightly eastbound and westbound 91 Express Lanes closures, alternating lane closures, and ramp closures are scheduled throughout the week of April 7. A single lane closure is also scheduled to take place on northbound 71 throughout the week.

Please see closure details below. Construction activity and closure schedules are subject to change.

Highway and Express Lanes Closures

McKinley Street Grade Separation Project

Work is under way on the city of Corona project. For information and construction details, please visit the project [webpage](#) and register for text updates by texting MCKINLEY at 844-518-1409.

Project Background

The new non-tolled interchange is designed to improve safety, expand access to other modes of travel, reduce greenhouse gas emissions, enhance traffic flow, and support continued movement of native wildlife through the area. Construction is anticipated to be completed in 2025.
