## Neighboring Projects

### McKinley Street Grade Separation Project

Work is under way on the city of Corona project. For information and construction details, please visit the project [webpage](#) and register for text updates by texting MCKINLEY at 844-518-1409.

## Project Background

The new non-tolled interchange is designed to improve safety, expand access to other modes of travel, reduce greenhouse gas emissions, enhance traffic flow, and support continued movement of native wildlife through the area. Construction is anticipated to be completed in 2025.
