

CONSTRUCTION UPDATE

Week of June 23, 2025

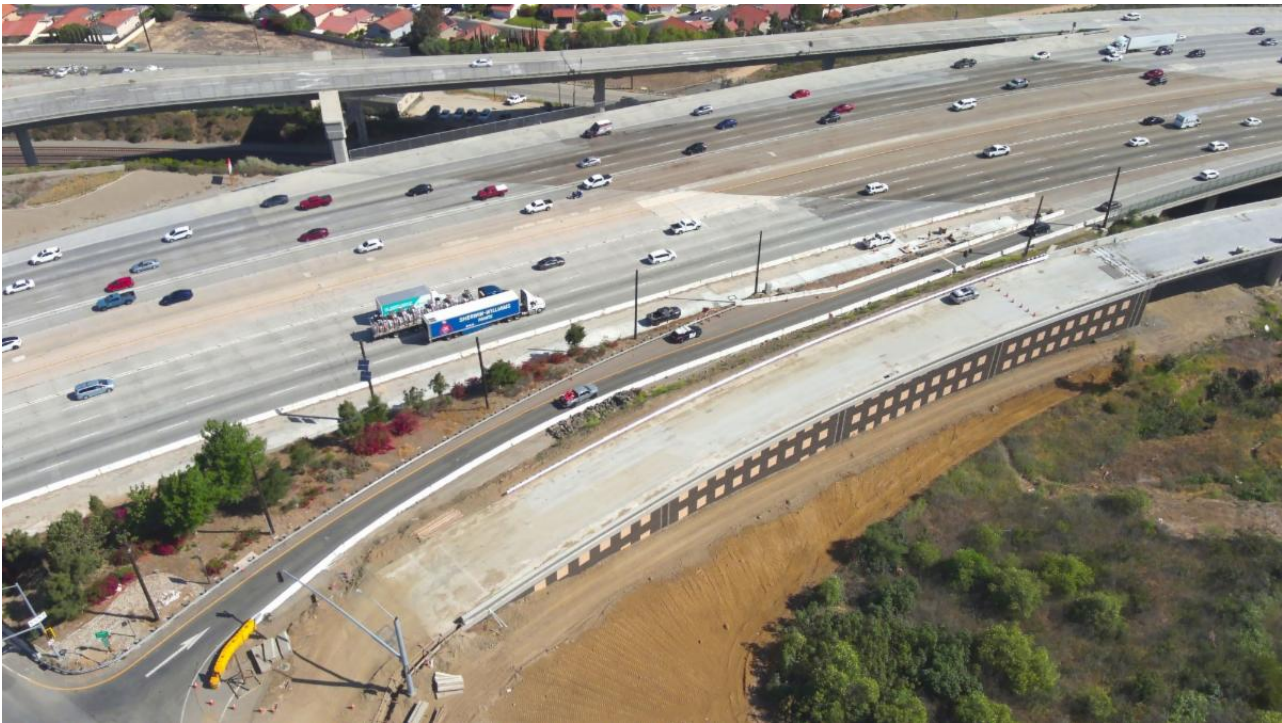

WEEKEND FULL CLOSURE AND TRAFFIC SWITCH BEGINS TONIGHT

Starting tonight, RCTC’s 71/91 Interchange Project will require a full weekend closure of the eastbound 91 Green River Rd. on-ramp in Corona to perform a traffic switch for the new, non-tolled eastbound 91 to northbound 71 connector and realigned eastbound 91 Green River Rd. on-ramp.

This closure is required for crews to safely open the new interchange on Saturday morning, June 21, and the realigned on-ramp on Monday morning, June 23.

For closure and detour information, please visit the link below.

Weekend Closure Details

During the week of June 23, nightly alternating lane closures, and ramp closures on eastbound and westbound 91 are scheduled. Additional connector closures and lane reductions are also scheduled on northbound and southbound 71 throughout the week.

Please see closure details below. Construction activity and closure schedules are subject to change.

Project Background

The new non-tolled interchange is designed to improve safety, expand access to other modes of travel, reduce greenhouse gas emissions, enhance traffic flow, and support continued movement of native wildlife through the area. Construction is anticipated to be completed in 2025.
