SMART FREEWAY PILOT PROJECT Temecula/Murrieta

Extended Ramp Closure

July 13 - July 21, 2025

The Riverside County Transportation Commission's I-15 Smart Freeway Pilot Project will require an extended **full closure** of the Rancho California Road direct on-ramp for northbound I-15 in Temecula. The direct on-ramp will close **beginning on Sunday, July 13 at 9 p.m. through Monday, July 21 at 5 a.m.**

The ramp will be closed for an extended period of time to allow for safe demolition and reconstruction. During this closure, crews will extend a second lane of the on-ramp by several hundred feet and create a safety pocket for emergency vehicles. The work will also involve reconfiguring and realigning the ramp to create a merge point between the Rancho California Road direct and loop on-ramps. Later this summer, RCTC will require a similar closure of the northbound 15 Rancho California Road loop on-ramp.

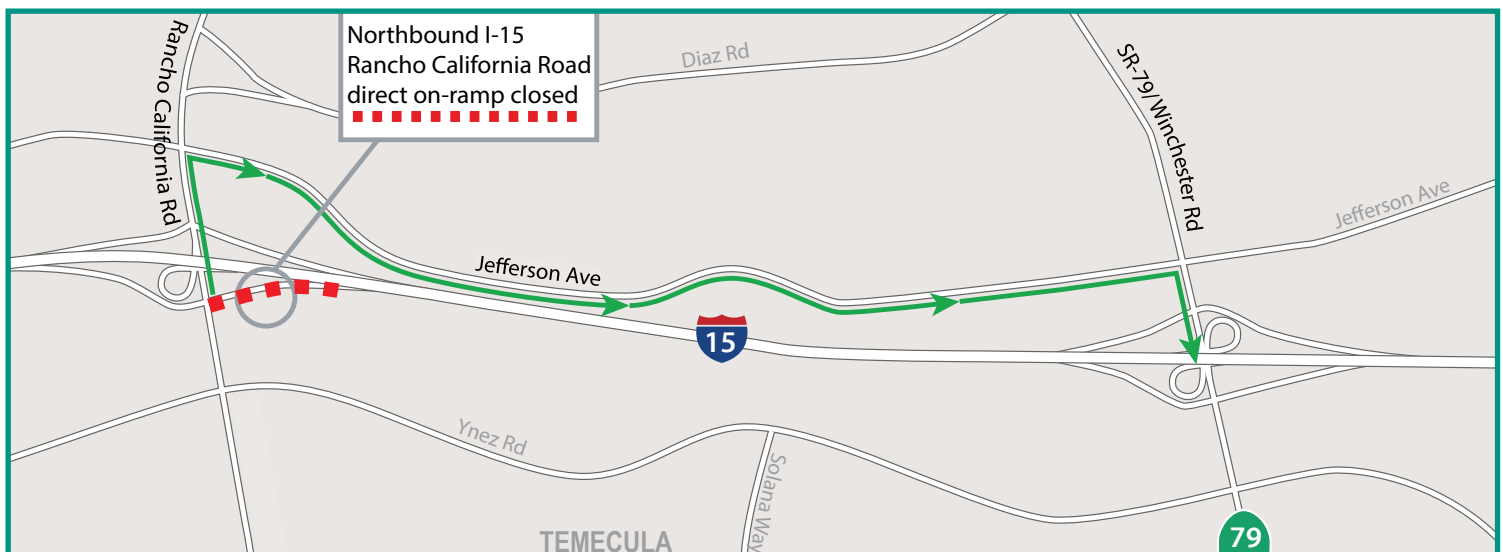

For more information about the Smart Freeway Pilot Project and to sign up for construction updates, please visit www.rctc.org/temeculaclosures

CLOSURE LOCATIONS	DAYS/TIMES
Northbound I-15 Rancho California Road direct on-ramp fully closed	Sunday, July 13 at 9 p.m. to Monday, July 21 at 5 a.m.

Closure dates are subject to change due to weather, site conditions, construction progress, and other factors.

NORTHBOUND I-15 RANCHO CALIFORNIA ROAD DETOUR

Motorists may travel west on Rancho California Road, northbound on Jefferson Avenue, and east on Winchester Road to enter northbound I-15.
