By publicly posting the following written disclosure, the Riverside County Transportation Commission (Commission) intends that market participants receive and use it for purposes of the independent registered municipal advisor exemption to the SEC Municipal Advisor Rule.

The Commission has retained Fieldman, Rolapp & Associates, Inc., an independent registered municipal advisor, for its debt management program and for advice on proposals from financial services firms concerning the issuance of municipal securities and municipal financial products (including investments of bond proceeds and escrow investments). This certificate may be relied upon until June 30, 2026. Proposals may be addressed to the attention of the Chief Financial Officer at the Riverside County Transportation Commission, 4080 Lemon Street, 3rd Floor, P.O. Box 12008, Riverside, CA 92502-2208. If the proposal received will be seriously considered by the Commission, the Commission will share the document with our municipal advisor. Please note, that aside from regulatorily mandated correspondence between an underwriter and municipal advisor, the underwriter should not speak directly with or send documents directly to the municipal advisor unless specifically directed to by the Commission.
