**CONSTRUCTION  
ALERT**

## **BRINGING SAFETY IMPROVEMENTS TO RAMONA EXPRESSWAY**

**Week of April 19, 2026**

[\*para español haga clic aqui\*](#)

Construction continues for the **Mid County Parkway Ramona Expressway Project**.

**Nightly closures along eastbound Ramona Expressway**, from Rider Street to Warren Road will continue Sunday, April 19 through Thursday, April 23, and Sunday, April 26 through Thursday, April 30 from 10 p.m. to 5 a.m. for crews to safely continue installing k-rail and conduct striping operations. Access to homes and businesses will be maintained.

To ensure the safety of our crews and other motorists, **a speed limit of 45 mph will be enforced throughout the construction zone**. Please watch for temporary signage and plan for extra travel time to your destination.

Please see closure details below. Construction activity and closures are subject to change due to inclement weather and other factors.

## UPCOMING WORK & CLOSURES

Date/Time	Activity & Location	Detour
Sunday, April 19 – Thursday, April 23 & Sunday, April 26 – Thursday, April 30 <hr/> Nightly, 10 p.m. – 5 a.m.	Full <b>eastbound</b> closure of Ramona Expressway from Rider Street to Warren Road	<a href="#">Southbound on I-215, eastbound on State Route 74, northbound on N. Sanderson Avenue to Ramona Expressway.</a>

## PROJECT OVERVIEW

The Riverside County Transportation Commission (RCTC) is making major improvements along an **8.6 mile stretch of Ramona Expressway**, from one mile east of Rider Street to Warren Road. This corridor has experienced a high number of collisions and is identified as a high priority for safety and access improvements. Once complete, the project will create a safer, more reliable roadway for residents, commuters, businesses, and visitors. Project improvements include:

- **One new lane in each direction**
- **A raised center median**
- **A new bridge over the San Jacinto River**
- **Traffic signal upgrades**
- **A new wildlife crossing**

Construction will continue through 2028. While this work is underway, we appreciate your patience as crews make these long-term improvements. Drivers should plan for extra travel time, slow down, and stay alert near work areas. Access to homes and businesses will be maintained as much as possible throughout construction.
